Main Point:

Human beings exists *to reflect the very character of God and to faithfully represent the sovereign rule of God in every aspect of our life.* (Whether that be in our (1) essential likeness to God, (2) our functional likeness to God, or our (3) relational likeness to God).

Outline:

I. What Does it Mean to be Created in the Image of God?

II. Why Does it Really Matter that we are Created in the Image of God?
