

I Am Justified: I Am Not My Sin and Failure

Text: Romans 5:12-19

Main Point: If we are in Christ, we are not defined by our individual sins and failures because we have been credited with the very righteousness of Christ.

Outline:

I. Justification flows from the pleasure of God (5:15)

II. Justification forever defines the people of God (5:16)

III. Justification frees us to live for the glory of God (5:17)
