

Embracing My New Community – Part 1

Colossians 3:8-11

Pastor Mark Kernan

August 9, 2020

Main Point: The church is the primary means by which God spurs on our sanctification and conforms us into the image of his beloved Son, Jesus Christ.

Outline:

I. Sanctification cannot be confined to our “*personal relationship with Jesus*” in the privacy of our homes.

II. Sanctification is inextricably tied to the crucible of Christian Community.

III. Sanctification is the means by which we become the people God created us to be.
